The Falcon's Nest program is a ministry of United Faith Christian Academy designed to provide a before and after school program of childcare to UFCA families. It is open to children in kindergarten through 8th grade.

About Our Program

The Before School Care and After School Enrichment Programs at United Faith are designed to meet the needs of working families with children enrolled in Kindergarten through 8th grade at UFCA. We seek to offer nurturing, Christ centered care for our students. The site is conveniently located on UFCA's campus.

UFCA's After School Enrichment Program compliments, rather than duplicates, the school day by giving students the opportunity to relax and unwind while playing sports and games, socializing, and working on homework assignments with assistance from after school staff.

Pick Up

Parents must come in between 3:10 pm - 6:00 pm in order to sign their child(ren) out from the program each day.

Registration Fees

\$45 first child
\$25 each additional child

The non-refundable registration fee is a one-time (per school year) fee that secures your child's spot in the program. The fee is not included in your monthly payment. Each child must be registered prior to using the program.

Other Fees

Insufficient Funds: A \$30 charge will be added to the family's account for insufficient funds on drafted accounts.

Late Pick-up: A fee for late pick-up will be charged at \$5.00 per child for every five minutes past 6:00 pm. Excessive late pick-ups will result in a child being removed from the program.
